Please join your colleagues at the annual ITRS summer meeting and golf outing. This year's speaker is John McGovern, President of Recreation Accessibility Consultants. John will speak about the benefits of making recreation more accessible to people with disabilities. As you may know, the Americans with Disabilities Act has been in effect for twenty years. While John cannot cover two decades in only 30 minutes, he will provide highlights of the new ADA regulations released by the Department of Justice on July 26, 2010.
