

IPRA Administrative & Finance Section 2010 IPRA Salary Survey

The A&F Section has made it even easier to sign up for the salary survey.
Sign up today & receive
January 2010 - December 2010 salary survey info

The new and improved online SALARY SURVEY from the Illinois Park & Recreation Association's Administrative & Finance Section offers more salary and benefits information at your finger-tips!

The online SALARY SURVEY site makes it even easier to enter salary information and comprehensive benefits information. To keep information current, a new feature has been implemented that will place an agency in a dormant mode if nothing has been entered within a reasonable timeframe.

The new SALARY SURVEY allows for park districts, forest preserve districts and special recreation associations to receive competitive salary information from other area agencies...but also municipalities too!

The goal of the online SALARY SURVEY is to make it easy and affordable for public agencies to maintain salary and benefits information - all in one place - to be referenced by others.

Did you know?

All sectors of parks and recreation are represented as well as government employees – Police, Fire, Colleges/Universities, Public Works, City Managers & Other Municipal Employees. You have the ability to download job descriptions, policies and procedures. Proceeds from the salary survey are used to fund scholarship opportunities for students and A&F members.

Fees Based on Agency Budgets
