

IAPD/IPRA Golf Guide 2008

get around, get a round

If your bag isn't in the cart, then it's in the trunk. Sound like you? (Or maybe you'd like it to.) For those of you who get around, why not get in a round, too?

Illinois Parks & Recreation is here to help you find a course close to wherever business or pleasure takes you in Illinois with our biennial listing of public golf facilities operated by members of the Illinois Association of Park Districts and the Illinois Park and Recreation Association. To compile our guide, we surveyed IAPD member agencies and cross-checked park and recreation Web sites. Because these facilities are owned and/or operated by IAPD/IPRA members, you know you'll get a good value and find exceptional conditions, professional service, state-of-the-art amenities and excellent PGA instructors at these courses.
